Weddings catered beautifully
in Bristol & beyond

Great food brings people together, so here at Queen and Whippet we're passionate about helping you to delight your wedding guests with the perfect menu.

The Q&W team are all huge foodies. We've created these menus so we can use the best West Country produce to make beautiful dishes that really work on an event scale.

Winners of 'Best Roaming Kitchen' at the 2019 Crumbs Awards, we're in the little black books of everyone who needs high-end, on-trend catering at their events in the South West.

We're here when you're ready to talk food

How we'll work with you

We want to help you to make sure that the planning your catering is as fun and exciting as the big day itself.

We will guide you through the entire process so that on your wedding day you can just relax and enjoy yourselves.

All the details, even the ones you hadn't thought of, will be taken care of.

Your Quote:

Food, service, and equipment costs are listed separately in your personalised proposal.

We do this so that it's transparent from the start where your budget is going. It also makes it easy to adjust elements as your plans evolve.

Every wedding is unique, but this is how your journey with us is likely to go...
